“Downtown Expressions” Sculptures Have Arrived! Stamford Downtown Gears Up for Sculpture Exhibit

Announcing Downtown Expressions, Art in Public Places 2016

STAMFORD, Conn., May 31, 2016 – Forty-two sculptures, some which have traveled more than 3000 miles East, are ready to be positioned in their new place of residence in Stamford Downtown for the summer of 2016. These sculptures are part of the Stamford Downtown Special Service District’s outdoor summer sculpture exhibit, ***Downtown Expressions***. They are a collection of 42 extraordinary sculptures by sixteen artists on loan to the City of Stamford and Stamford Downtown.

Installation will begin on Wednesday, June 1 and will continue through Friday, June 3 from 5 am to 10 am. It will take the city traffic division team, the DSSD’s operations Events Team, two fork-lifts and a loader truck and a crane to install them. Their installation is an event in itself and is more than likely to draw a crowd with very curious onlookers as each piece is hoisted from the holding area and transported via an open-air truck to its location amid ongoing activity. A list of the sculptures is attached.

Downtown Expressions sculptures are certainly bound to make a grand appearance on the Streets and in the parks of Downtown and in the Stamford Town Center! ***Downtown Expressions*** runs June through August.

On June 14, the DSSD will host an opening reception for ***Downtown Expressions***, the official kickoff celebration and viewing for sponsors and the public at The Palace. For an invitation to the opening reception and a map of locations and more information about ***Downtown Expressions***, Art in Public Places 2016, please call 203-348-5285 or visit www.stamford-downtown.com
