Movable Bistro Chairs Placed in Latham Park in Stamford Downtown

STAMFORD, CT September 16, 2016 – On September 14, 2016, twenty-four colorful chairs were placed in Latham Park on Bedford Street in Stamford Downtown for the convenience of park patrons during daylight hours both weekdays and weekends. The comfortable folding chairs can be moved into the sunshine or shade; in a small group or large; depending on the circumstance of the moment and the whim of the user. The chairs were donated by the Stamford Downtown Special Services District to accommodate the many neighbors who utilize the park daily. Find these colorful chairs in red, yellow, green and silver. Bistro chairs may be added to other Stamford Downtown parks in the future.
