

***Stamford Downtown INVASION!***  
***Art in Public Places***  
**Stamford Downtown**  
**Summer 2019**

**Application Deadline: February 15, 2019**

Each year Stamford Downtown hosts a distinguished outdoor sculpture exhibit designed to attract both local and regional audiences. It has been our privilege in years past to work with more than 300 talented artists to produce CowParade Stamford (2000), ART-o-Mobiles (2001), Stamford Safari (2003), It's Reigning Cats & Dogs (2010), Horsin' Around in Stamford Downtown (2012) Street Seats in Stamford Downtown (2014), Dinosaurs Rule! (2015) and ArtShapes (2017). These engaging exhibits were an enormous success attracting thousands of people to the downtown during the summer to see the beautiful sculptures that showcased the breadth of talent in our local art community.

Stamford Downtown will once again bring the talent of the art community into the downtown for this year's outdoor art exhibit, *Stamford Downtown INVASION!* Artists are invited to submit designs for the Invasion, which will be on exhibit all summer in Stamford Downtown. Design submissions will be reviewed by a jury, which will select a pool of final designs for sponsor review and selection. The pieces will arrive as unpainted fiberglass sculptures ready to be transformed by selected artists. At the end of the exhibit, the pieces will be auctioned and a portion of the proceeds will go to a charity, yet to be determined. To date, our previous events raised over a half a million dollars for selected charities.

Stamford Downtown is accepting proposals from artists who wish to participate in this public art event. Artists whose designs are selected by a sponsor for exhibition will be provided with a blank piece to paint, decorate, sculpt, etc. One week after the opening of the exhibit, each artist whose work is on display will be paid a \$1,500 honorarium.

**Specifications**

The pieces are made of a layered laminate construction over an interior structure with a mixture of resin and glass fibers in overlapping 1/4" and 1/2" lengths, with the outside layer being a sandable microsphere filled resin surface and primer coated with a white exterior grade sandable primer. All resins and paints are low odor and low VOC formulas which are friendlier to the finishing artists and environment.

**Artistic Designs**

The artist may paint, sculpt, transform and adorn the pieces as they wish, but the structural integrity of the pieces must not be compromised, and the mechanisms for attaching the pieces to its concrete bases cannot be altered or obstructed.

The viewing public will have full access to the pieces, 24 hours a day, seven days a week. Therefore, pieces should be designed and executed with public accessibility, safety, weather and possible vandalism taken into consideration. In past year's artists have used standard art acrylic paints and primers and varnishes to finish the sculptures. However,

easily damaged materials, like fabrics and papers, as well as items that are easily removed, should be strictly avoided.

The pieces can be painted in an endless variety of patterns, colors and finishes. Artists can use mosaic tiles, wood, tin and other materials. The pieces can be reshaped. Stamford Downtown and the public will delight in these flights of fancy. **However, you may not use perishable materials, like cotton, tulle, feathers, and velvet, which have proved to be subject to the elements and vandalism.** *Stamford Downtown INVASION!* submissions must be of durable materials. In addition, if an artist is sculpting or otherwise decorating a piece, a narrative of the durability of this design must be included.

As shown on the application outline drawing, pieces are available in three different forms. All modifications to this model must be indicated on your application. Artists are encouraged to go wherever their imaginations may take them. As has been true with our previous exhibits, play on words is important and adds to the excitement of the design.

### **Guidelines**

Please remember that the audience will be broad-based and of all ages. Designs that are of a religious, negatively political, racially denigrating, or sexually explicit nature will not be accepted. The use of corporate logos and trademarks are not permitted.

The pieces will be primarily placed outdoors and in areas fully accessible to the public. This means that weather, vandalism, touching, feeling, and even climbing upon the Shapes should be considered. Please keep durability and public safety in mind with your designs.

### **Selection Process**

Artists may submit up to four designs, and will be paid the honorarium for each design selected for production that yields a finished, approved piece for final exhibition.

The selection jury will consist of noted members of Stamford's art/cultural community. The jury will review all the applications received before the submission deadline. Those artists whose designs were not selected by the jury will be notified by mail.

The approved designs will be presented to the exhibit sponsors who may select designs from among these submissions, or may directly commission work from artists of their own choosing. Once a sponsor selects a design for production, the artist will be notified immediately. Please bear in mind, that the sponsor selection process will be ongoing, so artists may have as much as 6 weeks or as little as 2 weeks to finish their sculptures.

### **Production of *Stamford Downtown INVASION!***

Artists may execute their designs in either their own studios or in studio spaces accessible to the public, located in Stamford Downtown. These public studios will showcase area artists as they execute their product. The artists who have worked in the public studios in past years enjoyed the camaraderie. If you prefer to work in your own studio, you must

arrange your own transportation to get the unpainted piece (s) to your studio and likewise, the finished product, back to Stamford Downtown's designated warehouse.

After artists have completed their pieces, Stamford Downtown will inspect them. If Stamford Downtown determines that an artist's finished piece has been completed in substantial conformity with the artist's approved design, that piece will be deemed approved. Because of the time required for execution and installation, artists must finish their pieces(s) for inspection no later than **May 14, 2019**.

Stamford Downtown will install and remove the pieces from their display bases. Artists should be available for touch up and repair as necessary during the course of the exhibit.

### **Rights and Entitlements**

By submitting your application forms, you confirm that:

1. You are the original creator of your design.
2. You have not copied anyone else's original work.
3. Your design does not infringe on anyone else's intellectual property rights (for example: trademark, trade dress, or design patent.)
4. To the extent that anyone else has contributed to your design, you shall obtain a signed agreement from that person assigning all of their rights in their contribution to you.

By signing, dating, and returning this Assignment, you are indicating your understanding that you are assigning the entire right, interest, and title to your design(s) to *Stamford Downtown INVASION!*, Stamford Downtown Special Services District.
