## WELCOME OUR NEW PRESIDENT, DAVID KOORIS

The Stamford Downtown Special Services District is proud to welcome David Kooris as our new President. David replaces Sandy Goldstein who retired after 26 years in this position.

David is known as one of the region's recognized experts on economic development. He most recently held the position of Deputy Commissioner of the Connecticut Department of Economic and Community Development and was a recent member of Stamford's Board of Finance. Under David's strong leadership and clear vision, the Downtown will continue to develop as a model urban center.

Stamford Downtown is thrilled to have David at the helm and looks forward to great things to come in this new decade.

To discuss any issues or ideas, please reach David Kooris at (203) 348-5285 or [david@stamford-downtown.com](mailto:david@stamford-downtown.com).

## COMING SOON: THE LLOYD

Stamford's Hotel Zero Degrees (909 Washington Boulevard) is now closed. The existing building will be transformed into The Lloyd, a 94-room boutique hotel developed and owned by RMS Companies. The Lloyd promises simple yet sophisticated modern spaces with luxurious amenities to surpass today's travelers' fitness, wellness and culinary desires.

Scheduled to open in Spring 2020, this urban retreat will feature a new lobby lounge, bar, cardio and core strengthening fitness center and front entrance. Stamford's only luxury boutique hotel has been designed as the premier destination for corporate and leisure travelers seeking personalized service and a space to restore, connect and regenerate.

## SHARED\_STUDIOS PORTAL ON HIATUS

Stamford's Shared\_Studios Portal, an immersive space that connects people separated by distance and difference, is now on winter hiatus. In March, look on our website for the Portal's new location that will host classes, dialogues, performances, events and more.

## UPDATE: ATLANTIC STATION PHASE II

RXR's Atlantic Station Phase II construction has continued on schedule. As of January 22, 2020, RXR's Construction Manager, LRC Construction has poured the 21st floor of concrete superstructure and anticipates topping out the structure over the next month. The glass curtain wall installation is underway and interior framing has commenced. RXR continues the re-development of the historic Stamford Post Office in anticipation of the first retail occupancy later this year.
