

## FOR IMMEDIATE RELEASE

### **Stamford Downtown Celebrated St. Patrick's Day With Music in the Window on 296 Bedford Street Featuring the Fairfield County Police Pipes & Drums**

**Stamford, CT – March 18, 2021** Stamford Downtown Special Services District hosted a pop-up concert in Stamford Downtown yesterday, Wednesday, March 17 at 5:30pm. The **Fairfield County Police Pipes and Drums** performed in the storefront at 296 Bedford Street to an enthusiastic socially distanced audience.

The band's performance was amplified with speakers on the sidewalk. The band came out for a brief on street performance and marched up Bedford Street. It was an enjoyable way for passerby's to enjoy the holiday in a safe manner.

Stamford Downtown plans to repeat these "pop-up" window concerts throughout the year to bring music and joy to those walking by.

The Fairfield County Police Pipes and Drum band was founded in 2014 on St. Patrick's Day. All members are currently or have been police officers throughout Fairfield County.
