Restaurant patios will extend to parking spaces in Stamford Downtown on the following streets: Bedford St., Atlantic St., Bank St., Main Street, Lower Summer St., Upper Summer Street*

Bedford Street Piazza, a portion of the parking area behind Bedford Street (near the Bedford Street Garage) will be transformed into a massive outdoor dining patio featuring some of Stamford Downtown's best restaurants.

While enjoying **StrEATeries in Stamford Downtown** with family and friends, please respect posted guidelines, observe social distancing, and wear a mask at all times when you're not seated and eating.

*Extended patios on Upper Summer Street begin mid-April

The parking lot between Bedford and Forest streets will be closed for the season.

Main Street EASTBOUND closed from Washington Blvd. to Clark Street. No northbound right turn from Washington Blvd. to Main Street heading East. Main Street heading West remains open between Summer St and Washington Blvd.
